

Qualitative Inquiry: A Dictionary Of Terms

Copyrighted Material

The SAGE DICTIONARY of QUALITATIVE INQUIRY Third Edition

The Third Edition of The SAGE Dictionary of Qualitative Inquiry is the only comprehensive lexicon of terms and phrases that elucidates the origins, logic, meaning, and methods of the ever-expanding field of qualitative inquiry. The dictionary entries are intended to serve as a guide to the methodological and epistemological concepts and theoretical orientations of qualitative inquiry.

New to the Third Edition

- Offers more comprehensive coverage of qualitative inquiry: More in-depth coverage of methods terms helps users better acquaint themselves with the research options available to them.
- Contains approximately 70 new entries and a Reader's Guide: This edition includes an abundance of new terms based on developments in the field as well as a Reader's Guide.
- Deepens readers' knowledge of qualitative terminology: Key references have been updated, and several terms and phrases from previous editions have been reorganized and expanded.

Intended Audience

This is an excellent supplemental text for any qualitative research course. It is a valuable resource for navigating various perspectives on qualitative inquiry and provides a starting point for launching investigations into the issues covered in this guide.
